*recital 2026*

## RECITAL HANDBOOK

Please read this document all the way through!!!!

We have attached a lot of important recital information!!!!

Call or text 941-800-7274 with any questions!

# RECITAL *information*

## LABEL EVERYTHING!

Bring every piece of your costume(s), tights, and shoes. Use these next few months to make sure you have everything you need! Costumes are starting to come in and once they are ready to go home with you, you will sign them out. Read the costume care instructions and then label it all!

## HOW TO PREPARE AT HOME

Once your child's teacher has completed choreography in the younger classes (combo, junior and level 1), we will start sending you their recital homework that will include their formations, choreography, music, and a video. This will be a great resource for them to practice at home and be ready for the recital. For other classes we plan to upload music and videos to dropbox and will send you access once they are ready! We do not share until we lock in our choreography and music edits, as not to confuse the children if anything were to change in the creation process!

## PICTURE WEEK

APRIL 13-18

New Life Photography will be taking group and individual pictures during your child's regular class time. Instead of dancing that day, they will arrive in their costume with hair and makeup ready for their photoshoot! Pictures will be used for the recital program and will be available for purchase!
